

30th of January 2023 online lesson

Level 1 DFD

Transform Document Flow Diagram into L1DFD

- ❑ For each document flow,
 - ❑ Identify the **process** that
 - ❑ Generates the document or
 - ❑ Receives the document
 - ❑ Make sure whether the document flow is
 - ❑ Stored by the process or
 - ❑ Created by the process from stored data
 - ❑ Then identify the **data store**
 - ❑ Identify the **business activities** carried out by the process and name it

Read the **Bookland books store** story and draw the Level 1 DFD.
